Nursing Sclerotherapy Course

March 24, 2012 // San Francisco, CA

American College of
PHLEBOLOGY

advancing vein care ▶

from passion and experience
comes expertise

Message from the Program Director

It is with great pleasure that I invite you to attend the second regional American College of Phlebology Nursing Sclerotherapy Course, taking place in San Francisco, CA. This program is designed to include nurses, physician assistants, and other health care professionals who have an interest in caring for patients with venous disease that is amenable to sclerotherapy.

The course is a combination of didactic sessions focusing on the fundamentals of sclerotherapy highlighted by hands-on sessions where participants will have the opportunity to practice techniques on non-live models.

We have a wonderful multi-disciplinary faculty who are experts in sclerotherapy and have a passion for caring for the patient with venous disease. They will bring this passion into the classroom as they share their knowledge through the exciting curriculum that they have developed for this course.

Our location, San Francisco, is an exciting city to explore. There is something for everyone, so bring your families to experience what promises to be a fun time for all.

We look forward to seeing you in San Francisco!

Sincerely,

Catherine M. Burdge, APRN

Course Information

Target Audience

The target audience for the Nursing Sclerotherapy Course includes nurses, physician assistants, and other health care professionals who have an interest in caring for patients with venous disease that is amenable to sclerotherapy.

Educational Objectives

After completion of the course, attendees will be able to:

- » Describe the mechanism of action of sclerotherapy and how the technique is used to treat venous insufficiency
- » Discuss the need for pre- and post-procedure patient assessment and teaching in order to achieve optimal results of sclerotherapy treatment
- » Identify possible complications of sclerotherapy
- » Manage complex clinical issues involving sclerotherapy as the treatment modality

Host Hotel

Union Square San Francisco Marriott
480 Sutter Street, San Francisco, CA 94108
Phone: 415.398.8900 OR 866.912.0973
www.marriott.com/SanFrancisco

Guest Room Rates

The ACP has reserved a block of rooms at the Union Square San Francisco Marriott for Thursday through Sunday. The hotel confirms the following guest room rates for our group: Single - \$204.00 + taxes.

Attendees must register for the course before making their reservations at the host hotel. Once your registration has been processed, you will be sent a confirmation email from the ACP headquarters office which will include information on making your reservations. All reservations must be made by February 29, 2012. However, the group block is limited in size and will be filled on a first-come first-served basis. Reservations received after the room block is filled or after February 29, 2012 will be accepted on a space available basis and prevailing hotel rates.

Check-in time is 4:00pm and check-out time is 12:00pm. Guests arriving before 4:00pm will be assigned accommodations as they become available.

Continuing Education Contact Hours

The American College of Phlebology is an approved Continuing Education Provider by the California Board of Registered Nursing - Provider Number CEP 15857.

The American College of Phlebology designates this live activity for a maximum of 6.75 Contact Hours. Nurses should only claim credit commensurate with the extent of their participation in the activity.

NOTE: CME Credits for physicians will NOT be available for this course.

Special Needs

If you have physical or communication needs that may affect your active participation in the conference, please call the ACP Headquarters Office at (510) 346-6800 prior to your arrival.

Cancellations and Refunds

Registration fees, less a \$75.00 administrative fee, will be refunded upon notice of cancellation to the headquarters office in writing. In order to qualify for a refund of fees, your cancellation notice must be received no later than Friday, March 9, 2012. There will be no refund of fees for cancellations received after that date or for lack of attendance.
